3. STATEMENT OF THE CLAIM. State as briefly as possible the facts of your case. Describe how the United States is involved. You must state exactly what the United States did, or failed to do, that has caused you to initiate this legal action. Be as specific as possible and use additional paper as necessary.

The United States is involved knowingly and maliciously against
the Plaintiff and should be required to pay Plaintiff the ill-gotten
gain. The United States contractor has coerced Plaintiff to file
returns without jurisdiction. See Exhibits A and B attached
hereto. It is the United States Federal Court of Claims duty to
keep the United States contractors honest and must not allow
Plaintiff to be damaged. The United States Federal Court of
Claims must hold United States contractors to the law.
I am entitled to this judgment because of the damages rendered
against Plaintiff, therefore this Court should have this judgment
rendered in Plaintiff's favor.

4. **RELIEF.** Briefly state exactly what you want the court to do for you.

The Court should render relief to Plaintiff by signing the judgment
against the United States in the amount of \$344,067.00
